

2024 HIGHLIGHTS

COMMUNITY ENGAGEMENT

Hosted over 30 events with 762 participants, connecting manufacturers through education, training, and community-building activities.

APPRENTICESHIP AMBASSADOR

Honored as an "Apprenticeship Ambassador" by the U.S. Department of Labor, recognizing commitment to apprenticeship excellence.

APPRENTICESHIP CONSORTIUM

As a group sponsor of apprenticeship in Ohio, collaborated with 50 employers to support 60 apprentices, developing the next generation of skilled workers. Enabled 17 students to earn pre-apprenticeship certifications, preparing them for manufacturing careers.

FRONTLINE SUPERVISOR TRAINING

Trained 72 frontline supervisors from 32 different companies, enhancing leadership skills across the manufacturing sector.

GOOD JOBS CHALLENGE GRANTEE

Achieved national leadership in training and placement outcomes, demonstrating excellence in workforce development.

IMPACT PROJECTS IN CLEVELAND

Completed 137 impact projects for manufacturing companies in the city of Cleveland, contributing to local economic growth and development.

ADVANCEMENTS IN AI

Secured funding for a pilot program targeting AI training and literacy for partner companies, positioning them at the forefront of technological innovation.

MANUFUTURE NETWORK LAUNCH

Introduced ManuFuture, a peer-to-peer knowledge-sharing and innovation network. Over 70 members have participated in monthly meetups to collaborate, exchange ideas, and innovate together through a methodology called Strategic Doing.

LCMSP ENDORSEMENT

Received endorsement from the Ohio Manufacturers' Association for the Lorain County Manufacturing Sector Partnership, affirming its quality and relevance.

SMART MANUFACTURING ROADMAP

Assisted eight companies in developing smart manufacturing roadmaps, guiding them toward digital transformation, connection, and innovation.
